ZEN PROTEC COS'E'

A cosa serve

Zen protec ti protegge da eventuali droplets rilasciati durante una normale conversazione.

Come è fatto

Un pannello in PMMA trasparente in varie misure sostenuto da supporti a morsetto o appoggio.

Sanificabile

Il PMMA può essere pulito con soluzioni a base alcolica di ogni tipo.

ZEN PROTEC IS

Use

Zen protec protects your from droplets released during normal conversation.

Features

it's made of transparent PMMA, available in different sizes supported by metal brackets freestanding or clamped.

Sanitization

PMMA can be cleaned with any kind of alcohol-based cleaning products.
